Re: Patent Application for "A Declarative Method for Business Management"
Application SN 09/476,711
David O. McGoveran, Inventor

Dear Examiner Boyce:

The Final Office Action cited two grounds for rejection, "failing to comply with the enablement requirement" (p. 2 ¶5) and "non-statutory subject matter" (p. 3 ¶7, specifically, "no concrete result"). I believed we were close enough to resolve this with an Amendment after Final, but received no response that indicated this had been approved. Accordingly, I am requesting a Continued Examination to resolve these last minor points, and submit claims amended to meet and traverse these objections. Again, if you do not agree that the claims are prepared to issue, I request a telephone interview at your earliest convenience, within the next two weeks. This response is both being faxed (for your earliest attention) and sent by Express Mail (for certainty).

Sincerely:

George S. Cole, Esq.
